CENTER FOR WOMEN IN LAW

The Center for Women in Law (CWIL) is the premier educational institution devoted to the success of the entire spectrum of women in law, from first-year law students to the most experienced and accomplished attorneys. It combines theory with practice, identifying and addressing the persistent issues facing individual women and the profession as a whole. CWIL serves as a national resource to convene leaders, generate ideas, and lead change.

CWIL is conceived by women, founded by women, and originally funded by women. Its strategy and vision are directed by women. Initially the idea of seven women, CWIL now proudly has fifty founding members and a growing Circle of Leaders.

FOUNDING MEMBERS

The Center for Women in Law (CWIL) represents the vision and commitment of its Founders, a dedicated group of alumnae and friends, who conceived of CWIL and provided the initial funding for its endowment. Originally the idea of seven women who wanted to leave a legacy for future generations of women lawyers, CWIL proudly has fifty Founding Members.
